Re: Request for the sponsoring of a dissection microscope, light source and digital camera

Hanoi, December 16, 2010

Dear Belgian GTI National Focal Point,

On behalf of the Institute of Ecology and Biological Resources, we would like to request a **dissection microscope, a light source and a digital camera**. This equipment is essential for the entomologists in my institute. We hope the Belgian National Focal Point to the GTI can respond positively to our request.

Thank you very much for all your kind help to our institute.

Sincerely,

Assoc. Prof. Dr. Ta Huy Thinh
Vice Director of The Institute of Ecology and Biological Resources
